

# Legacy II

## The Next Generation

### Executive Summary

**Origin:** Legacy II was developed for professional account managers, to support the premium service known as Legacy Wealth Builder. Based on Dad's Legacy, Legacy II functions as a fully automated "Expert Advisor" on any MetaTrader 4 platform— MetaTrader is easy to use and readily available, free from respected Forex brokers the world over.

**Over-the-Top Performance:** Nanosecond speed... precision timing... flawless execution... everything that goes into making a super-trader.

**Error-Free:** No miscalculations, no transpositions, no omissions. Careless errors, responsible for countless losses, become a thing of the past.

**Uncompromised Discipline:** Human nature is every trader's biggest trading pitfall. Even savvy trading professionals sabotage their own success on a regular basis. Being emotion free, Legacy II is 100% steadfast and true.

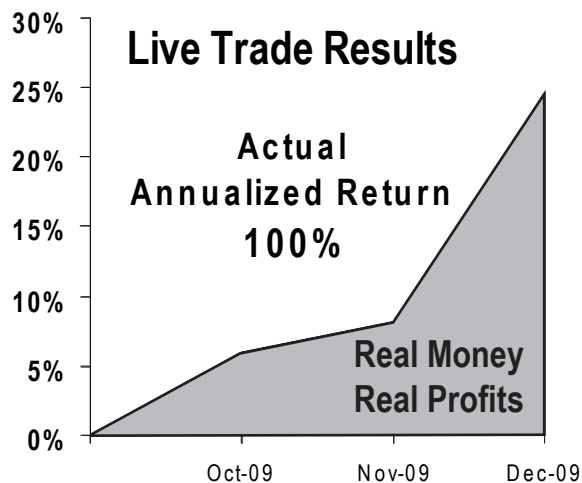

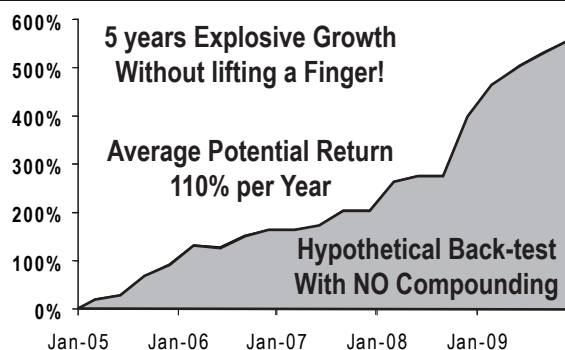

**Easy & Stress-Free:** Once a day, Legacy II automatically places and updates all orders, just as you would do manually—complete with stop-loss and profit-target. If your computer is running, the orders will be placed at the beginning of each new day. If your computer is turned off, the orders will be updated the next time you turn your computer on again. It's just that simple... No hassles... No worries.

**As a Valued Family Member  
You're Entitled to a 50% Discount  
For the Next 30 Days**

Although Legacy II is easy to use, requiring only the most basic of computer skills, it was not originally intended for do-it-yourself traders. Legacy II is a powerful account management tool. It was developed to efficiently and flawlessly administer Legacy Wealth Builder.

But, Ellie Taft wants you to have every possible advantage. So, for the next 30 days, we invite you to choose an inexpensive do-it-yourself option, too good to pass up... but please know, this is a limited time offer.

### Legacy II, ver 3.2 Error-Free, Stress-Free, Autopilot-Trading

**While there's no such thing as a "sure thing".  
Due diligence that includes a 5-yr back test...  
And live performance consistent with testing...  
Gives you a comfortable feeling of confidence.  
Don't you agree?**

*SIMULATED PERFORMANCE HAS CERTAIN LIMITATIONS AND THE AVERAGE PERSON MAY NOT HAVE THE SAME RESULTS. PLEASE SEE FULL RISK DISCLOSURE ON PAGE 2*

***“Last week, while I was in Orlando, I had 3 very profitable trades recorded in my “unattended” account. Pretty neat...I Thank you... my retirement account thanks you!”***

***--Jon Z., Menash, WI***

Professional traders control the market with algorithmic trading... also known as algo, automated, black-box, or robo trading. One third of all EU and US stock trades were driven by automatic programs in 2006, according to Boston-based consulting firm Aite Group LLC. And some markets have been estimated as high as 80%. Now you can enjoy the same “robotic” advantage to seek consistent, wealth-building profits.

**Notice how the new XTR – Extreme Reversal Strategy enhanced profits in 2009 live trading**

*TRADING FOREIGN EXCHANGE ON MARGIN CARRIES A HIGH LEVEL OF RISK, AND MAY NOT BE SUITABLE FOR ALL INVESTORS. THE HIGH DEGREE OF LEVERAGE CAN WORK AGAINST YOU AS WELL AS FOR YOU. BEFORE DECIDING TO INVEST IN FOREIGN EXCHANGE YOU SHOULD CAREFULLY CONSIDER YOUR INVESTMENT OBJECTIVES, LEVEL OF EXPERIENCE, AND RISK APPETITE. THE POSSIBILITY EXISTS THAT YOU COULD SUSTAIN A LOSS OF SOME OR ALL OF YOUR INITIAL INVESTMENT AND THEREFORE YOU SHOULD NOT INVEST MONEY THAT YOU CANNOT AFFORD TO LOSE. YOU SHOULD BE AWARE OF ALL THE RISKS ASSOCIATED WITH FOREIGN EXCHANGE TRADING, AND SEEK ADVICE FROM AN INDEPENDENT FINANCIAL ADVISOR IF YOU HAVE ANY DOUBTS.*

*HYPOTHETICAL OR SIMULATED PERFORMANCE RESULTS HAVE CERTAIN LIMITATIONS. UNLIKE AN ACTUAL PERFORMANCE RECORD, SIMULATED RESULTS DO NOT REPRESENT ACTUAL TRADING. ALSO, SINCE THE TRADES HAVE NOT BEEN EXECUTED, THE RESULTS MAY HAVE UNDER-OR-OVER COMPENSATED FOR THE IMPACT, IF ANY, OF CERTAIN MARKET FACTORS, SUCH AS LACK OF LIQUIDITY. SIMULATED TRADING PROGRAMS IN GENERAL ARE ALSO SUBJECT TO THE FACT THAT THEY ARE DESIGNED WITH THE BENEFIT OF HINDSIGHT. NO REPRESENTATION IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFIT OR LOSSES SIMILAR TO THOSE SHOWN.*

*TESTIMONIALS ARE BELIEVED TO BE ACCURATE BUT HAVE NOT BEEN INDEPENDENTLY VERIFIED AND MAY NOT BE REPRESENTATIVE OF ALL SIMILARLY SITUATED PERSONS. NO ATTEMPT HAS BEEN MADE TO COMPARE THE EXPERIENCES OF THE PERSONS GIVING THE TESTIMONIALS AFTER THE TESTIMONIALS WERE GIVEN TO THEIR EXPERIENCE PREVIOUSLY. NO ONE SHOULD EXPECT TO ACHIEVE THE SAME OR SIMILAR RESULTS AS THOSE SHOWN HEREIN BECAUSE PAST PERFORMANCE DOES NOT NECESSARILY INDICATE FUTURE RESULTS.*

*TRADES SHOWN ARE INTENDED FOR ILLUSTRATIVE PURPOSES ONLY. WHILE THEY ARE ALL TRADES GENERATED DURING THAT PARTICULAR TIME FRAME, THEY ARE NOT MEANT TO BE REPRESENTATIVE OF ALL TRADES USING LEGACY II.*

*“I missed some good trades while I was sick, and stayed out of a few based on fear. Legacy II obviously does away with these elements... I’m very impressed.”*

Kevin G., Aurora, CO

### **Seek Max Performance With Finely-Tuned Trade Size**

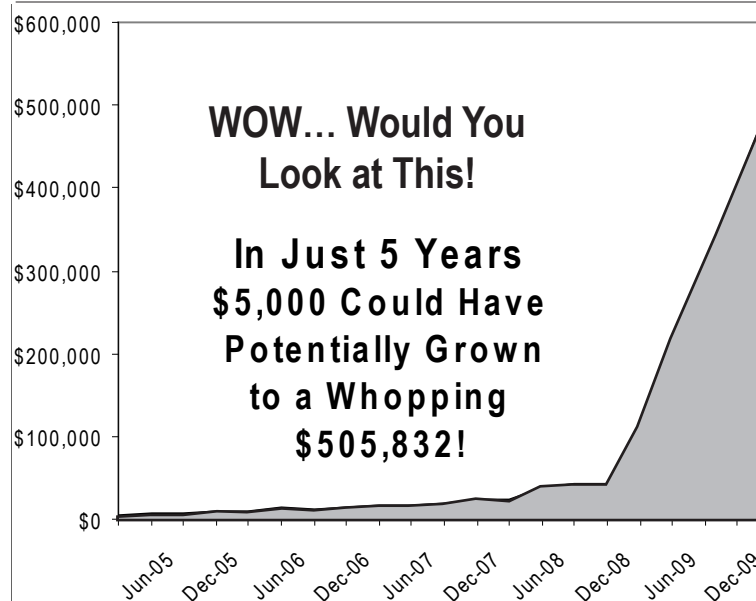

Accept the Legacy II default of one mini-lot per \$5,000. Or set your own leverage preference anyway you wish. Legacy II will do the rest, automatically!

### **And Best of All You Can Use Legacy II On 4 Different Accounts!**

Your software license gives you full rights and privileges to use Legacy II on FOUR different trading accounts. Think of the possibilities....

You can give the ultimate gift to a beloved family member... Split your cost with a friend... Trade multiple accounts for yourself (an IRA account, a “spend it now” account, an aggressive high-roller account).

### **Witness the Power of Automatic Compounding**

PLEASE SEE PAGE 2 NOTICE REGARDING HYPOTHETICAL RESULTS

### **Plus, You’ll Enjoy Full Upgrade Privileges For Life!**

Legacy II was developed as a support tool for a premium service known as Legacy Wealth Builder. Registration fee: \$6,000... \$3,000 per year thereafter.

But, for the next 30-days you can choose a half-price, do-it-yourself option for only \$2,999. And then you’ll own Legacy II, and all updates, for life. Plus, you can apply the full \$2,999 to a Legacy Wealth Builder membership at any time, without limitation... this year... next year... whenever you like!

As a Legacy Wealth Builder, you access password protected portions of LegacyWealthBuilder.com... have trade updates emailed to you and/or your authorized broker nightly... get fully automated Legacy II and Legacy Gold... plus you can use the private members-only email system to communicate directly with Ellie.

Just think, you could start with Legacy II and potentially pay for a full Legacy Wealth-BUILDER membership with your Legacy II profits!

**Offer Expires February 28, 2010**

**Please, Don’t Miss Out**

The clock is ticking. Very soon, you’ll have only three choices: 1) Trade Dad’s Legacy manually, without the benefit of Legacy II’s profit-boosting neural-network and XTR strategy. 2) Enroll in Legacy Wealth Builder for \$6,000 the first year, and \$3,000 every year thereafter. 3) Continue as you have in the past... with no hope of ever enjoying a perpetual revenue stream that can potentially support the lifestyle of your dreams.

Very soon, your chance to enjoy error-free, stress-free, autopilot-trading for life will be gone forever.

*“Just thought you might like to know that my live trading account is now up 63%. I started trading the live account the first week of November (6 weeks ago). So that 63% annualizes at 4,300% with monthly compounding. ...It appears whatever occurs over the course of a year will be dramatically better than anything I have ever achieved before!”*

-- Paul L., Nampa, Idaho

## Legacy II • Application

**Please accept my application** to receive Legacy II auto-trading program, functional as an “Expert Advisor” on any MetaTrader4 platform. I gladly agree to the following provisions (please initial):

\_\_\_\_\_ My initial copy of Legacy II will be fully operational on any MetaTrader4 trading account for a period of 90 days. During that time, I will test Legacy II in various demo accounts and select the MetaTrader4 broker that best suits my needs.

\_\_\_\_\_ After my initial 90-day test period, or sooner if I wish, I am entitled to full rights and privileges to use Legacy II on FOUR trading accounts specified by me. I understand that I can change my account specification, if desired, by email request. But, at no time will I be authorized or capable of using Legacy II to execute trades in more than FOUR accounts.

\_\_\_\_\_ I certify that I am not a broker, money manager, or institutional investor. I will only use Legacy II for trading my own personal accounts, or for an account belonging to an immediate family member.

\_\_\_\_\_ If at any time I decide to upgrade to Legacy Wealth Builder, the full amount that I paid for Legacy II will be applied to my first year’s membership fee.

\_\_\_\_\_ I acknowledge that distributing copies of Legacy II to anyone, in any manner, is unlawful without the expressed permission of the copyright holder. Requests for special permission can be made at [www.DadsLegacy.us](http://www.DadsLegacy.us).

Signature \_\_\_\_\_ Date \_\_\_\_\_
